

# Backbone Valley Nursery

**Presents:**

## **Kids Grow Your Own Movement**

Backbone would like to introduce our children's gardening workshops. Every month we will have an activity geared for kids only. We feel it is important that children get involved in gardening and learn to grow their own food and know that food just does not come out of a can. All children's events have a free element. Check our website for updates and other fun programs. Please dress to get dirty.

Feb 18th	2pm	Grow Your Own..... Veggie Garden
Mar 17th	3pm	Grow Your Own..... Easter Basket Grass
Apr 14th	3pm	Grow Your Own..... Ratatouille Garden
May 12th	3pm	Grow Your Own..... Carnivorous Garden
